Fifty Reasons to Celebrate!

This year, the John Howard Society of Manitoba celebrates its fiftieth anniversary. Fifty years of working tirelessly to deliver services to thousands of Manitobans facing daily challenges related to poverty, addiction, racism and the harmful cycle of crime.

To mark this momentous occasion, **we invite you to tell us why you think our work is so important to Manitobans**. We know that the work of the John Howard Society of Manitoba has changed the lives of thousands of people. We are asking you to share your story:

- How has our work touched your life?
- What changes have you seen as a result of our work?
- What does John Howard mean to you?

When we have received all the entries, we will compile a list of "*50 Reasons to Celebrate John Howard Society's Work in the Community*". The list will be posted to our website at www.johnhoward.mb.ca in the spring of 2009.
