

The John Howard Society of Manitoba Inc. is holding a fundraising breakfast, Monday, August 10, to mark Prison Justice Day.

Prison Justice Day is held every year on August 10th to remember all those who have died in custody here in Canada, and around the world. It is also a day when we mark the rights that prisoners have gained through the last 35 years, and the rights they are still fighting to gain.

The John Howard Society of Manitoba is organizing a fundraising breakfast event to mark this day, and to support our clients who are still living inside correctional facilities. Money raised through this breakfast will allow us to continue to impact our clients in custody directly. This includes providing institutional programming, pre-release planning, referral assistance, and advocacy of their concerns and issues. We are also hoping to raise the profile of The John Howard Society and let the broader community know what we offer and how we can help clients in their personal and political struggles.

You are cordially invited to
